

## *Ontario's Public Health Measures Update*

February 16, 2022

The Ontario government has communicated updates to public health measures that will take effect on Thursday, February 17, 2022.

Based off these updates, we are pleased to announce the return of all of our games to the Social Lounge during the day on Thursday. The capacity in the Social Lounge as of Thursday is a maximum of 50 people.

Capacity restrictions have been removed for the Fitness Centre and Multi-purpose room. The Current Operating Hours are 7:00 a.m. to 7:00 p.m. daily for the remainder of February. Residents wanting to work out in the gym must first complete the Fitness Centre Waiver e-form. Additionally, residents must block in advance a one-hour timeslot online. Both the links for the fitness waiver and fitness centre booking can be found on our website, under Current Students on [quadyork.ca](http://quadyork.ca).
